MORE ACCESS, MORE CARE

Northwest Essex is pleased to announce that we will now be expanding our mental health and substance use disorder services to evenings and weekends beginning the week of August 24, 2020. Our Outpatient Mental Health services are provided by Psychiatrists, APNs, Nurses, and LCSW clinicians. Our Outpatient Substance Use Disorder services are provided by Physicians, Nurses, and LCADC counselors. We also have Nurses who provide primary health care assessments. In addition, Northwest Essex provides access to on-site pharmaceutical and laboratory services. **Bilingual services are available to our Spanish speaking consumers.**

SERVICES WE PROVIDE:

- Screening, Assessment and Diagnosis
- Outpatient Mental Health and Substance Use Disorder Services
- Psychiatric Rehabilitation Services
- Primary Care Screening and Monitoring
- 24-Hour Crisis Screening
- Targeted Case Management
- Peer Support Services and Family Support Services
- Services for Members of the Armed Services and Veterans

*** WE SERVE ALL NEW JERSEY CONSUMERS REGARDLESS OF PAY TYPE AND RESIDENCE.***
